EXPERIENCE THE EVOLUTION.

Designed and built in New Hampshire. Ready to perform anywhere. SIG SAUER combines industry-leading innovation with battle-tested experience to engineer the world’s toughest, most devastatingly accurate pistols and rifles. And now, we also deliver the most dependable, most precise silencers, optics, and ammunition—all in our mission to provide elite shooters with the complete weapon systems they need to prevail under any circumstance.

SIG MCX™

The First True Mission-Adaptable Weapon System

Auto-Regulating Short-Stroke Gas Piston System

Optimized for Suppression

In-Field Changeover Barrel Length / Caliber / Stock Configuration

Ambidextrous Charging Handle and Controls

Reinforced Upper Receiver

CHAMPIONSHIP CALIBER.

SIG SAUER congratulates Max Michel, Jr. on his recent world and national championships. One of the most dominant competitive shooters ever, Max is the current International Practical Shooting Confederation (IPSC) World Champion, as well as the only five-time World Speed Shooting Champion. Max also serves as Captain of the SIG SAUER Shooting Team and Manager of Competitive Shooting Activities. With real-world insight and a relentless focus on quality, Max is helping SIG SAUER build some of the world's finest sport pistols.

.44REM MAG	.44S&W SPL	.45AUTO	.45COLT

SIG V-CROWN™ Jacketed Hollow Point
Centerfire Pistol Cartridges

The ultimate defense round provides exceptional energy on target, maximum weight retention, and optimal expansion at all effective distances.

- 1. **SIG V-Crown™ Jacketed Hollow Point**
Stacked hollow point bullet design with additional hollow point cavity has V-shaped jacket skives and scores for controlled, uniform expansion
- 2. **Toothed Cannelure**
Unique toothed cannelure midway on the shank ensures maximum weight retention and terminal expansion
- 3. **Match Grade Brass Cases**
DUCTA-BRIGHT 7A™ coated brass cases provides enhanced lubricity, superior corrosion resistance, and reliable feeding and extraction
- 4. **Low Flash Propellant**

SIG FMJ Full Metal Jacket
Centerfire Pistol Cartridges

SIG SAUER® reliability and accuracy for practice or competition. The perfect combination of affordability and performance.

- › Manufactured to SAAMI standards
- › Durable copper jacketed bullets stay with the lead at impact
- › Solid brass cases
- › Dependable primers and clean-burning powders for reduced barrel fouling and more reliable functioning

AVAILABLE IN:

.380AUTO	.38SPL	9mm LUGER	.357SIG

SIG SAUER ACADEMY COURSES

From executive protection to active shooter response, from close quarters combat and basic marksmanship to long-range sniper training, the SIG SAUER Academy has provided the highest quality firearms and tactics training available anywhere in the United States for more than two decades. Located on over 140 acres in Epping, NH—only an hour from Boston, MA—our facility features state-of-the-art indoor and outdoor ranges, tactical training areas, urban environments, a shoot house, a maritime training area, and a force-on-force village. The SIG SAUER Academy offers a comprehensive arsenal of more than 60 courses for the armed professional and responsible citizen.

SHOOTING DEVELOPMENT

From first-time shooter to the range veteran, the SIG SAUER Academy progressive shooting development courses offer a logical shooting evolution designed to build a shooter. Pistol, rifle and shotgun courses are taught in basic, intermediate and advanced levels that follow a simple and easily reproducible experience utilizing best practices.

SPECIALTY TRAINING

Each specialty course has a specific tactical objective. These courses focus on a specialty discipline or deadly scenario, and incorporate training methods designed to achieve nothing short of success and first place wins. Second place is not an option. Students will be confronted with unfamiliar and uncomfortable situations in order to familiarize themselves with such eventualities and learn to prevail.

INSTRUCTOR DEVELOPMENT

The SIG SAUER Academy takes special care in preparing knowledgeable men and women to become effective firearms instructors for students of all levels. It takes more than subject mastery to be a good instructor. Proven techniques successfully transfer essential skills and knowledge from instructor to student in less time. Instructor candidates practice teaching techniques acquired with each other and are rigorously evaluated for classroom and range skills mastery.

ARMORER CERTIFICATION

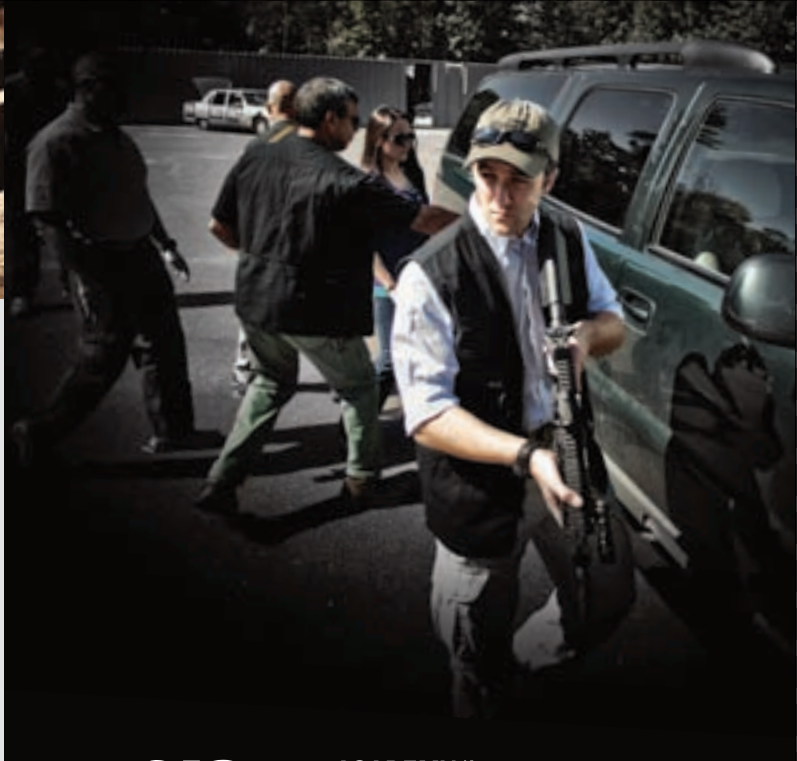

Proper and routine weapon maintenance and inspection are essential to ensure maximum reliability. Factory armorer courses at SIG SAUER Academy certify agency armorers or individuals to maintain, inspect, service, and repair selected SIG SAUER® firearms while preserving the factory warranty. Upon successful completion, armorers will fully understand each firearm and be factory-certified for a period of three years.

For individual course descriptions, class schedules, and more information, visit www.sigsaueracademy.com.

The SIG SAUER AcademySM is internationally recognized for the use of superior training techniques and unmatched results. Armed professionals and responsible citizens continuously choose to train at the SIG SAUER Academy for all their firearms, tactical and related training needs.

**NO MATTER WHAT YOU SHOOT,
WE'LL MAKE YOU A BETTER SHOOTER.
GUARANTEED.**

LE/MIL PURCHASE PROGRAMS

ARMED PROFESSIONAL PURCHASE PROGRAM

Those who protect and serve our country are eligible for special discounts on SIG SAUER® firearms and accessories. We are proud to support the brave men and women who put their lives on the line.

THIS BADGE INDICATES THAT THE PRODUCT IS AVAILABLE UNDER THE APP PROGRAM THROUGHOUT THE CATALOG.

THOSE WHO QUALIFY INCLUDE:

- ▶ Active or Retired Law Enforcement Officers with Official Agency Credentials
- ▶ First Responders
- ▶ Active Duty or Retired Military (any rank) with Valid Military ID
- ▶ Active or Retired Reservists and National Guard (any rank) with Military ID
- ▶ Corrections Officers, including Parole and Probation Officers
- ▶ State Licensed Armed Security Officers and Licensed Security Companies
- ▶ Court Justices, District Attorneys, and Deputy District Attorneys
- ▶ Other State, County, and City Officials with Official Agency Credentials or Official Documentation Whose Job Duties Necessitate Carrying a Firearm
- ▶ NRA Certified Firearms Instructors
- ▶ Credentialed Nuclear Security Officers

To participate, those eligible under the program must utilize a participating LE/MIL Distributor. The current list of participating LE/MIL Distributors is available online at www.SIGSAUER.com/LEMILpurchaseprogram.

COMMEMORATIVE PURCHASE PROGRAM

Law enforcement, federal agencies, and military units can proudly display their achievements through the SIG SAUER Commemorative Purchase Program. Special discounted pricing, custom engraving, and enhanced finishes are available on select SIG SAUER pistols and rifles.

MINIMUM PURCHASE REQUIREMENTS:

Includes special pricing, free logo engraving, and one line of text.

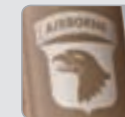

- ▶ **25 Pistols**
- ▶ **15 Rifles**

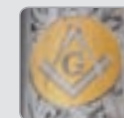

STANDARD

- ▶ Laser engraving

▶ **Pistol:** One insignia on top of slide and one line of common text on right side of slide

▶ **Rifle:** One insignia and one line of common text on right side of magwell

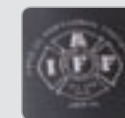

GOLD

- ▶ Cut engraving with selective gold plating
- ▶ Floral pattern scroll work

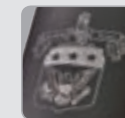

▶ **Pistols only:** One insignia on top of slide, one line of common text, and one line of personalized text

SILVER

- ▶ Cut engraving

▶ **Pistol:** One insignia on top of slide, one line of common text, and one line of personalized text

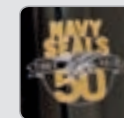

▶ **Rifle:** One insignia and one line of personalized text on right side of magwell

PLATINUM

- ▶ Cut engraving with selective gold plating
- ▶ Floral pattern scroll work

▶ High luster titanium bonded finishes

▶ Engraved wood grips

▶ **Pistols only:** Two insignias on top of slide and three lines of text
